

Huntington County 4-H Robotics Student Contract

1. All participants must become members of Huntington County 4-H and remain in good standing. Members must register on team website www.huntingtonrobotics.org
2. Members are welcome to request help with their homework to keep their grades up. We respect parent rights to suspend student team involvement when grades suffer.
3. Team member conduct both in and out of competitions should reflect "gracious professionalism" as defined by FIRST. Behavior that reflects badly on FIRST, the team, 4-H, our host Henline's Inc., a school, or our sponsors including violations of rules, will result in exclusion from team decided by this 4-H club's officers.
4. Students are not permitted to travel with the team, unless all required forms have been properly signed and travel expenses are paid to team prior to trip and during the trip. Students not paying bills not covered by the team during travel will be suspended from the team until bills are paid.
5. I agree to follow all safety rules and guidelines established during safety training. I will not operate any power tools until an adult mentor has trained me with the exception of being supervised during training.
6. I understand I will be responsible for arranging transportation to and from the club meeting locations.
7. I will respect property belonging to the club, 4-H or Henline's.
8. I will use the log to sign in and out of Henline building
9. I will not use the computers for personal use.
10. I will keep information private about our robot and strategy prior to release to public.

Violation of any above agreement may result in ineligibility for team membership as decided by 4-H club officers.

I pledge as a FIRST team member to meet all requirements above in order to remain a member in good standing.
