

## 21st Century Community Learning Centers Parent Release of Records and Information Consent Form

The Indiana Department of Education (“IDOE”) would like to collect data on activities and events taking place in classrooms, schools, and school related programs throughout the state. The Family Educational Rights and Privacy Act (“FERPA”) requires the IDOE and 21st Century Community Learning Center (“21st CCLC”) to obtain prior written consent from the parent, guardian, or eligible student before releasing any personally identifiable information about a student. The information requested will be used to calculate the impact the 21st CCLC has on student performance and to meet reporting requirements as a result of receiving state and federal funds.

The Boys and Girls Club of Huntington County is dedicated to establishing a community learning center designated to provide students with academic and enrichment opportunities, as well as additional activities to complement their regular academic programs. Quality programs are those that demonstrate a high daily attendance rate and engagement with family members of active participants. Programs that demonstrate these characteristics are more likely to have higher student growth, increased passage rates of local and state assessments, and students pursue post-secondary education.
